

Internship on Operations (Ref: TPL.INTERN)

Who we are

TPL is an e-Commerce company based in Patras, Greece, TPL stands for Third Party Logistics. TPL team has been on the front lines of e-commerce since 2006, helping retailers and brands connect with customers, optimize operations and grow sales channels. We've grown from a small company in a young industry to an 3PL service provider at the forefront of a global revolution

We offer tailored made solutions to customers worldwide helping them penetrate new markets. TPL connects its customers with new and existing sources of demand for their products, including e-commerce marketplaces, such as eBay and Amazon as well as digital marketing channels, such as Google, Facebook and Bing are among some of the more notable companies that we formed partnerships with. Since 2017 we have gone one step further creating a 3PL service to support our customers and help them deliver their products internationally hassle free via our flexible, cloud-based platform.

With presence in the United States and the United Kingdom, TPL has the infrastructure to create an international network for its customers.
